# JAGUAR XF STANDARD FEATURES

## ENGINE, TRANSMISSION AND DRIVING DYNAMICS

All Surface Progress Control

Cruise Control with Speed Limiter

Eight Speed Automatic Transmission with Jaguar Sequential Shift™

Electric Power Assisted Steering

Hill Launch Assist

Jaguar Drive Control

Torque Vectoring by Braking

## EXTERIOR FEATURES

Automatic Headlights with Powerwash

Front & Rear Park Aid

Heated Rear Windscreen

Partial LED Rear Lights

Rain Sensing Windscreen Wipers

## INTERIOR FEATURES

10-Way Electric, Heated Front Seats with Driver Memory

12V Power Sockets

3-Flash Lane Change Indicators

40:20:40 Split Fold Rear Seat

Auto-Dimming Rear View Mirror

Carpet Mats

Electrically Adjustable Steering Column with Memory

Front Armrest with Storage Compartment

Front Deployable Air Vents

Front Sun Visors with Illuminated Vanity Mirrors

Interior Mood Lighting

Jaguar Sense™ Overhead Lighting

Rear Centre Armrest with Cupholders

Two-Zone Automatic Climate Control

## INFORMATION, COMMUNICATION AND ENTERTAINMENT

380W Meridian™ Sound System with 11 Speakers

8" Capacitive Touchscreen

Analogue Dials with 5" Full Colour TFT Display

Audio AUX

Bluetooth® Telephone Connectivity & Audio Streaming

Dynamic Volume Control

InControl Touch Navigation

iPod® Integration

Jaguar Voice

USB Socket

## SAFETY AND SECURITY

Airbags - Driver and Front Passenger, Front Side, Full Length Side Window Curtain

Approach Lights

Autonomous Emergency Braking

Dynamic Stability Control & Traction Control

Emergency Brake Assist

First Aid Kit

Hazard Lights Under Heavy Braking

Jaguar Smart Key System™ - Keyless Start

Lane Departure Warning

Pedestrian Contact Sensing

Perimeter Sensing Alarm and Immobiliser

Rear ISOFIX

Space Saver Spare Wheel

Trailer Stability Control

Tyre Pressure Monitoring System

# XF - PRESTIGE

201 \$90,000

## STANDARD FEATURES

Bi-Function Xenon Headlights with LED 'J' Blade Daytime Running Lights  
Electric & Heated Exterior Mirrors with Memory  
Gloss Black Veneer  
Metal Treadplates with 'Jaguar' Script  
Morse Code Aluminium Instrument Panel Finisher  
Multi-Function Softgrain Leather Steering Wheel  
Rear View Camera  
Taurus Leather Seats

## EXTERIOR STYLING

18" Fan Alloy Wheels - 5 Spoke in Silver  
Chrome Bootlid Finisher  
Chrome Side Power Vents  
Chrome Side Window Surround  
Grained Black Grille with Chrome Surround

#### ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is proud to continue the company's tradition with its approach to Environmental Innovation. From the choice of lightweight materials and lean production methods to the efficiency of its engines and designs, Jaguar is committed to operating as a more sustainable business and reducing its overall environmental impact.

Jaguar's flagship XJ model was the first in the company to achieve ISO14040, the international standard for vehicle 'life cycle assessment'. This certification measures the environmental impact of XJ from component material sourcing and manufacturing process, through driving 200,000 km. But that's not all. Every new Jaguar is designed to be 85% Recyclable/Reusable and 95% Recoverable at the end of the vehicle's life.

The all-new XF, XE, XJ and F-TYPE's innovative use of lightweight aluminium, which incorporates up to 50% closed-loop recycled material from the manufacturing process of the body structures, provides considerable performance benefits. This includes improved fuel consumption and less CO<sub>2</sub> emissions during the use phase of the Life Cycle due to lighter structures. Our on-going target is to ensure scrap aluminium reclaimed from our stamping process is to be segregated and recycled through a closed loop system and re-melted into the same grade quality sheet, therefore reducing CO<sub>2</sub> emissions during the production phase of the Life Cycle. Jaguar is committed to reducing dependency on fossil fuels, using fewer resources and creating less waste as part of our approach to sustainability excellence.

The company plan includes 25% reduction targets in operating and tailpipe CO<sub>2</sub> emissions, waste to landfill, logistics efficiencies (15%) and water consumption (10%), all based on per vehicle built since 2007. In addition the manufacturing assembly CO<sub>2</sub> emissions of each Jaguar built in the UK since 2009 is 100% offset. For each tonne of CO<sub>2</sub> emitted in the assembly process, Jaguar invests in projects that reduce an equivalent tonne of CO<sub>2</sub> elsewhere. Taking into account the company's global sales growth and increased investment in more efficient operating facilities, we are proud to have delivered and in some cases exceeded our Environmental Innovation targets as planned for 2012. We have reduced our European fleet average tailpipe CO<sub>2</sub> emissions by 25% versus 2007 levels, based on sales up to the end of 2014.

Looking forward, we have developed our 2020 vision for sustainable business growth that focuses on continued improvements in tailpipe CO<sub>2</sub> emissions, operational carbon neutrality and zero waste. To date the company has offset over 6 million tonnes of CO<sub>2</sub>, provided over 4,000 direct jobs in 60 emissions reduction projects in 17 countries and improved the lives of over 1 million people in our global cook stoves emissions reduction programme.

But it doesn't stop there. Our manufacturing facilities have been certified to ISO14001 since 1998 and we are credited to Platinum Plus level in the UK's Business in the Community Corporate Responsibility Index.

#### IMPORTANT NOTICE

Jaguar is consistently seeking ways to improve the specification, design & production of its vehicles & alterations take place continually. While every effort is made to produce up-to-date literature, this leaflet should not be regarded as an infallible guide to current specification/options, nor does it constitute an offer for the sale of any particular vehicle. Distributors & dealers are not agents of Jaguar by any express or implied undertaking or representation.

#### SPECIFICATION & OPTIONS

All pricing, specification & option levels are relevant for MY16 production at time of printing. All prices are in New Zealand dollars & include GST but exclude on road & set up costs. Jaguar New Zealand reserves the right to make changes to pricing, specification & options at any time without prior notice.

JXF2016 version 1 produced October 2015
